Proceeds of the race will go to support children in need in Cobb County through the Cobb Bar Association Community Service Fund. The Cobb Bar Association created the Community Service Fund to make small grants to students and their families. School social workers refer families who receive assistance with emergencies such as clothing, rent, and medical care.

The event is Family Friendly with 5K for the runners, which allows strollers, and a 1 K Tot Trot. After the event, Santa and activities will be in the Glover Park at the Marietta Square.
