Press Release

Brock, Clay, Calhoun & Rogers, LLC Selected as One of The Leading Attorneys of the Southeastern United States

Marietta, GA, March 4, 2009: Brock, Clay, Calhoun & Rogers, LLC has been selected by Goldline Research as one of the Leading Attorneys of the Southeastern United States for 2009. The list of the Leading Attorneys of the Southeastern United States is scheduled to be published in the February 16th issue of Forbes.

"We are very proud to have received this prestigious designation. It is our goal at Brock, Clay to make a positive difference in each client's life, personally and professionally." – Chuck Dalziel

"The selected providers truly distinguished themselves during our evaluation of the industry," said George Shaeffer, Analyst, Goldline Research. "Those selected met or exceeded every expectation we have for a holistic, client-centric approach"

Brock, Clay, Calhoun & Rogers, LLC has over 25 years of legal expertise and success in the metro Atlanta community and across the state of Georgia. Brock Clay is a business-to-business law firm based in Cobb County that provides clients with a comprehensive understanding of today's complicated and highly restrictive legal environment. Brock Clay is a professional leader in education law, estate and tax planning, corporate counsel, and business transactions. This firm's attorneys sit on boards of leading educational and financial institutions, utilities groups, and land development corporations. Brock Clay provides proactive analysis and practical advice including such activities as seminars, systems analyses, and training presentations. For more information please visit www.brockclay.com.

Goldline Research is a third-party, independent research firm specializing in evaluating professional services providers. Goldline Research undertakes an extensive, in-depth research process to review all qualified candidates in a respective area. Its proprietary research process includes individual interviews and quantitative analysis of key data, as well as customer reference checks to confirm high levels of customer service. Those that earn Goldline Research's designation demonstrate a commitment to service unparalleled in their industry.
