

Attorney Carol Callaway Selected as Honoree by YWCA

Callaway will be honored at the 2010 YWCA of Northwest Georgia's Tribute to Women of Achievement

After many years of service and dedication to her community, the YWCA has recently recognized Carol Callaway of Brock Clay and will honor her at the Tribute to Women of Achievement awards banquet on March 26, 2010.

"I believe in the mission of the YWCA and appreciate all of the great work they do," said Callaway. "It is humbling for them to recognize me in this way because I have always just supported the organization for the invaluable programs they provide women in our community."

According to the YWCA, "Honorees must have demonstrated sustained excellence, exemplary achievement and creativity in their professions, assisted other women to achieve, and demonstrated qualities that would encourage others."

The event will be held at 5:30 PM, Friday, March 26 at the Cobb Galleria Centre and will include a silent action in addition to the banquet. Tickets may be purchased through the YWCA.

The Tribute of Women of Achievement award is designed to help raise awareness and provide much needed financial assistance for the YWCA's programs to help victims of domestic violence and sexual assault.
